Dear Sir/Madam,

I am writing with reference to the hospital bill issued by **St. Mary's Community Hospital** for my treatment under **Private Ward (Deluxe)** care.

Patient Name: John Doe
Date of Service: 26 October 2023
Total Bill Amount: ₹26,690

I would like to place on record my appreciation for the medical care and support provided during my hospitalization. After reviewing the final bill in detail, I respectfully request a **billing review and clarification** for certain line items.

In particular, I seek clarification on the following charges:

- **Administrative / File Processing Fee** – ₹1,800
- **Dietary Service & Sanitization (MISC-0001)** – ₹1,200
- **IV-related consumables and sets** (DNS fluids, IV set, cannula, fixator) – ₹3,900 (cumulative)

As hospital billing includes professional services, diagnostics, consumables, and administrative components, I would appreciate confirmation that:

1. The quantities and service frequencies billed are accurate
2. All consumables and services correspond to actual usage
3. Charges for bundled or variable services have been applied as per hospital policy

If there is scope for **reassessment or adjustment**, particularly with respect to administrative or bundled charges, I would be grateful if the same could be reviewed.

This request is made solely to ensure transparency and accuracy in billing and with full respect for the hospital's procedures. I would be happy to provide any additional information or documentation required to facilitate this review.

Thank you for your time and assistance. I look forward to your response.

Yours sincerely,
John Doe
